

About the CVCA Diversity Private Equity Internship Program

The Canadian Venture Capital and Private Equity Association (CVCA) is the voice of Canada's private capital industry. **This is a paid-internship program for students who identify as women or Black, Indigenous, or Person of Colour in Canadian private equity firms across Canada for the Summer 2023 Term (May – August).** This program is also co-op eligible.

*Positions are available in Toronto (virtual & in-person), Montreal (virtual & in-person) and Calgary (in-person).

Email your application (Resume and Cover Letter) to research@cvca.ca **before October 24, 2022 at 11:59 PM.** Please indicate in your email subject line Diversity Internship 2023, and in your cover letter state your preference for VC or PE steam (or both) as well as preferred firm and location.

Private Equity internship opportunities are available across Canada, including in the following companies:

1. Onex
2. Birch Hill Equity Partners Management
3. Fengate Asset Management
4. Sagard Private Equity
5. Northleaf Capital Partners
6. Caisse de dépôt et placement du Québec (CDPQ)
7. Vertu Capital
8. TriWest Capital Partners
9. Novacap

Private Equity Intern - Job Description

We are looking for Intern Analysts to join leading private equity firms. Interns will develop their financial skill set and investment acumen by working with a team of talented private equity professionals to identify and evaluate new investment opportunities and to help create value at our existing operating companies.

The Intern Analysts will have the opportunity to take on increasing levels of responsibility as they develop and demonstrate their capabilities within a high-performing culture. Working with teams of investment professionals, you will be responsible for supporting the identification and research of new investment opportunities and industries, learn quantitative and qualitative analysis, and observe/support the execution of potential investment transactions.

Key Responsibilities:

- Assisting with due diligence on potential investment opportunities
- Primary and secondary research into industries and companies targeted for investment
- Analysis of financial and other business data
- Assisting with financial modeling and business valuations
- Assisting in evaluating portfolio company performance
- Reviewing confidentiality and other agreements

Job Requirements:

- Minimum 2+ years of an undergraduate degree in business/finance/engineering/computer science or related disciplines (MBA students and those who have graduated within the last 12 months are eligible to apply)
- Keen interest in business, finance and investing
- Demonstrated intellectual curiosity
- Strong analytical capabilities and financial fluency
- High level of professionalism and maturity
- Driven, with a bias to action and an ability to learn things quickly
- High level of attention to detail
- Excellent written and verbal communication skills
- Ability to work well within a team setting as well as independently in a fast-paced environment
